Live Chat and Alternative Contact Methods

If you prefer not to call, Expedia offers additional ways to get help:

1. Live Chat

- Visit Expedia Customer Service
- Scroll to the “Chat with Us” option.

Get connected to a virtual assistant first. If unresolved, request a live person in the chat.

2. Email Support

- For non-urgent issues, email can be effective.
- Log in to your Expedia account.
- Go to Help > Contact Us and fill out the form.

3. Social Media

- Twitter/X: @Expedia
- Facebook: @Expedia

Message them with your booking ID and query. Responses usually take 1–2 hours.

Tips for a Smooth Customer Service Experience

To reduce wait time and resolve your issue faster, keep the following ready:

- Booking Confirmation Number or Itinerary ID
- Email associated with your Expedia account
- Travel dates and destination
- Details of the issue (e.g., refund amount, change request)

Also:

Call during off-peak hours: Early morning or late night often means shorter wait times.

Use the Expedia app for faster access to customer service, live chat, and making changes to your bookings.

Common Issues Expedia Can Resolve by Phone

1. Flight Cancellations or Schedule Changes

If your airline modifies or cancels your flight, Expedia agents can:

- Help rebook alternative flights
- Process refunds or credits
- Liaise with airline support on your behalf

2. Hotel Reservation Problems

When hotels deny your reservation or overbook, call Expedia. They can:

- Book you in a nearby property at no extra cost
- Offer compensation for the inconvenience
- Ensure you're not charged incorrectly

3. Vacation Package Questions

- If you booked flight + hotel packages:
- Change any part of the package through one call
- Request invoice breakdown
- Cancel parts of the itinerary if eligible

Download the Expedia App for Faster Help

The Expedia Mobile App gives you:

- Direct access to live chat
- Trip alerts and notifications
- 1-tap access to customer support
- Booking changes and cancellations in real time

Pro Tip: If your trip is within 24 hours, use the app for the fastest resolution.
