

# Exodus Wallet® Helpdesk – Call 1-877-882-4138 for 24/7 Support

Exodus Wallet is a powerful tool for managing crypto assets, but when something goes wrong, getting help fast is important. Whether you're having trouble restoring your wallet, seeing missing funds, or worried about security, the **Exodus support team** can guide you.

 **Official Exodus Wallet Support (USA): 1→(877)→882→4138**  
 **Live Agents | Toll-Free | Available 24/7**

---

## Common Issues Users Face

Here's when most people contact Exodus support:

- Can't access or unlock wallet
  - Transaction stuck or not showing up
  - Trouble restoring wallet from recovery phrase
  - App crashing or not syncing
  - Concern about a phishing attack or unauthorized login
  - Questions about fees, balances, or updates
- 

## Speak to a Real Person

Call 1→(877)→882→4138 to:

- ✓ Recover wallet access quickly
- ✓ Get step-by-step help from a live agent
- ✓ Report suspicious activity or potential hacks

⚠ **Security Tip:** Exodus will **never** ask for your private keys, 12-word recovery phrase, or password on a call.

---

## Other Support Options

If your issue isn't urgent, try:

- **Exodus Help Center:** Articles for setup, backup, and transactions
- **Email Support:** Send detailed questions and get email replies
- **Community Resources:** Get advice from other users online
- **Official Updates:** Follow Exodus on social channels for news & alerts

---

## Stay Safe

- Store your recovery phrase offline and never share it
- Confirm you're contacting the real Exodus support
- Avoid phishing links or fake websites
- Keep your app updated for the latest security features

---

## Final Word

The **Exodus Wallet helpline – 1→(877)→882→4138** – is the fastest way to get urgent help with login issues, security alerts, or wallet recovery. For everyday questions, their Help Center and email support will usually solve your problem quickly.
