

Recovering from a workplace injury? Re+Active provides [wcb approved physiotherapy in Sylvan Lake](#) for individuals seeking rehabilitation after work-related physical injuries. The clinic follows established WCB procedures and can support patients with assessment, movement strategies, physical conditioning, and rehabilitation. **Workers' compensation board therapy** may be available after the required claim and approval process is completed. The team works with patients to improve strength, mobility, and daily function while supporting their recovery goals. Re+Active also works with WCB and other injury-related rehabilitation needs. If you have experienced a workplace injury, contact the clinic to discuss the next steps for physiotherapy care.
